

26 Finch Close, St Peters Place, Salisbury, Wiltshire, SP2 9GR

£325,000 Freehold

A modern well presented terrace house with accommodation arranged over three floors.

Description

The property forms part of the St Peters Place development on the north western side of the city and offers spacious accommodation arranged over three floors. It was constructed in 2023 so still has the remaining new home warranty and the deceptively spacious accommodation is well presented throughout. On the ground floor is an entrance lobby, a sitting room and an inner hallway which leads to a cloakroom and a kitchen/breakfast room which has an integrated oven. On the first floor are two good size bedrooms and a family bathroom, whilst the main bedroom occupies the entire top floor and has a dual aspect with an over stair wardrobe. When the property was constructed, the owners upgraded certain fittings so it has a higher specification than similar properties. Further benefits include PVCu double glazing and gas central heating whilst externally there are two off road parking spaces and a pleasant rear garden. St Peter's Place is located at the top of Devizes Road and is a modern development which has a primary school and further amenities planned. It lies approximately two miles from the centre of Salisbury and also conveniently close to the market town of Wilton.
