Accommodation

Upon arrival, the property is visibly wider than others in the street. The warm and inviting hallway enjoys an elegantly dramatic colour palette that proceeds the property, with period features and modern touches that compliment.

Dark stained real wood floors, high ceilings and tasteful design choices flow throughout this spacious home.

Very well extended, the ground floor accommodates two spacious receptions rooms; the versatility of which allows the flow of the space to bring everyone together or separate in the cosiness of the bay fronted sitting room with its log burning stove.

The living room adjoins the impressive open plan kitchen dining room, which spans the width of the house, and is stunning. The forest green units compliment the peachy décor and are classic and contemporary in style with a Quartz works tops.
