Leasehold – Share of Freehold

Highwood Court is a unique juxtaposition of a tranquil and secure development tucked away within the hustle and bustle of Harlesden High Street.

Spanning 3 floors of accommodation, buyers will immediately be impressed with the thought and design of this property – The architects SUSD sought to create low impact eco homes and have done so excellently. Immediately you are greeted with a stunning open plan kitchen, with wooden floors and window frames. There is an additional skylight that only adds to the abundance of light in this space.

Downstairs are two double bedrooms and a family bathroom, and upstairs is the principle suite with private balcony.

Highwood Court is purely residential and offers excellent access to the ever popular green space of Roundwood Park, as well as shops and eateries on the High Street. For commuters, there is brilliant access to the Bakerloo & Mildmay Line from Willesden Junction, allowing easy transport to the West End and East London.
