Outside

Stable Cottage - Detached annexe

Stable Cottage can be accessed via a separate entrance from Wyfold Lane, and is approx 100 m from the main house. It is a detached brick-and-flint bungalow, set in spacious grounds. With 2 double bedrooms, a bathroom, a galley kitchen and a reception room with windows on 2 aspects. It also has a useful boot-room / utility area as you walk in the back door.

The grounds

The house sits centrally in approx 10 acres of gardens and paddock, with beautiful sweeping views to the south. The property can be accessed via private gated driveways both to the front and to the rear.

The gardens for the house comprise mature trees, woodland and shrubs, lawns, a walled garden, a mature orchard, a picturesque pond and a far border that blends effortlessly into the open countryside beyond. A disused tennis court could be reinstated. Across Wyfold Lane sits the two sections of enclosed fenced paddocks totalling about 5 acres.

The driveway provides parking for several cars, and through an arched hedge, to more parking behind the rear of the property and access to 2 single garages and outbuildings.

A more modern triple garage is attached to the rear of the property, with further car parking

where the house can be accessed via a door into the utility room.

Outbuildings

A disused stable block housing 3 stables and a tack room could be modernised, or converted into a home office. And a wooden shed sits beside it.
