ACCOMMODATION

Through a distinctive solid wooden front door, painted a vibrant green, and into the front hallway, with its attractive panelled finish with geometric patterned decoration. There is a coat cupboard and under-stairs storage. Oak wooden flooring leads along a corridor to the ground-floor bedroom suite. This is a very large room finished with wooden panelling, with a living area featuring a glass roof light and fitted cabinets, which leads, via Aluminium bifold doors, out onto the patio garden. An en-suite bathroom features a shower, w.c. and wash hand basin in a cabinet, with a heated towel rail and Porcelanosa wall tiles. Pocket doors lead into the former garage, which has been set up as a gym, hobby and storage area, fully decorated with black and white floor tiles, and with lighting. The room is also suitable for storing a vehicle.

Up the elegant, carpeted staircase to the first-floor living area, with a useful storage cupboard at the top of the stairwell. The large open-plan living area is dominated by a bright bay window to the front with fitted wooden shutters, and a feature bookcase which divides the room from the stairs to the second floor. Solid oak floors are spread across the space, from the living area into the kitchen/dining space - an open and bright modern kitchen with quartz worktops, a bespoke fitted solid wood kitchen with hand-painted shaker-style wall and base units, a stainless steel sink with Quooker tap feature, 2 integrated Miele fridge-freezers in a bespoke dresser, an electric combination Miele oven and a traditional electric oven, an integrated dishwasher, and a Miele induction hob with extractor hood over. The kitchen splash-back is a vintage mirrored glass finish. From the kitchen/dining space, bespoke double doors open out overlooking the rear glazed rooftop and garden.

From the first floor, carpeted stairs lead up to the second-floor accommodation, with another useful storage cupboard at the top of the stairs. The principal bedroom was converted from 2 bedrooms, creating a large new bedroom with solid oak floors and a broad bank of windows to the front. This impressive room features a fitted American Oak and velvet bedhead, with mirrored panels to each side. There are

integrated cupboards, as well as a large area of bespoke oak and shagreen vegan leather mirror-fronted dressing room cupboards with internal lighting; and an integrated dressing table in front of a window. Oak media unit further compliments the spacious room which is lit by a pair of chandeliers.

The third double bedroom has a window to the rear and features built-in cupboards and oak wooden flooring.

The family bathroom is a beautiful bright room featuring floor-to-ceiling white marbled Porcelanosa tiles, with a shower over bath, low-level w.c., a wash hand basin in a Carrera marble vanity cupboard unit, windows with privacy glass and a fitted blind.

Agent's note:

The ground floor of the property has been soundproofed. The pitched roof was recently completely replaced and insulated. There is Cat 6 cabling throughout, so the wifi is strong on each floor. As part of the renovation and plumbing works, a Honeywell home control system has been installed to remotely manage the boiler and underfloor heating system via independent zones.

Outside

The rear patio garden can be accessed via bifold doors from the ground floor accommodation. It has a Mandarin Stone floor and has been newly fenced and planted. Raised beds have been rendered to match the brickwork at the rear of the property.

The front of the property is a concreted driveway, fringed with mature shrubs for privacy.
