ACCOMMODATION

'Roakham Bottom' is a spacious and tastefully refurbished family home, set back from a quiet country lane, and with rural views to the front and rear.

The private gravel driveway has space for several cars, and a double carport is integral to the house. The front garden is a pretty lawned and mature shrub space, with a small stream running along the front border. The front elevation is a honey-coloured brick with contemporary darker double-glazed windows and doors. The entrance comprises a glazed door, with glass panels and a vaulted portico.

The bright entrance hall has wooden floors, and a cloakroom with w.c. and wash hand basin. Through to the kitchen/breakfast room - a large space with modern fitted wall and base units in a striking oak wood and a 'Parisian blue' gloss design, with tiled floors.

There is a peninsula breakfast bar, with a quartz worktop, and a 1 1/2 bowl sink inset. Integrated appliances include a full-size fridge and full-size freezer, a 4-burner induction hob with an integrated extractor fan, a pair of electric ovens, a wine fridge and a dishwasher. Lights have been installed at floor level to add atmosphere to the space. A large window overlooks the garden, and a walk-in larder and spacious understairs cupboard provide convenient storage. From the kitchen out to the useful utility laundry room, with a vaulted ceiling and skylights, doors to both the front garden and the rear, space for a washing machine and tumble dryer, fitted cabinets and a sink set into a formica work surface.

A pair of glazed doors lead from the kitchen into the living room, with dual-aspect windows and French doors to the patio. The room has a woodburning stove set in a brick fireplace, wooden floors and fitted shelves.

From the living room to the dining room, with space for a 12-seater table, with windows on two aspects.

Up the carpeted stairs, to the landing.

The principal bedroom is a dramatic suite with a vaulted ceiling, carpeting, a double picture window overlooking the rear garden and view beyond, a walk-in dressing room with fitted wardrobes and a window, and an en suite bathroom with underfloor heating, featuring a panelled bath, a w.c., a heated towel rail, wash hand basin and a tiled shower.

Bedroom 2 sits above the attached annexe, and is a suite of rooms comprising a 'snug', and through to a bedroom with skylights and a triangular window with fitted Venetian blinds, in the apex of the roof space overlooking the garden.

Bedroom 3 is a carpeted double bedroom with a bank of fitted wardrobes and a window to the front.

Bedroom 4 is a carpeted double bedroom with dual-aspect windows.

Bedroom 5 is a carpeted single bedroom, currently in use as a study, and with a wardrobe.

The family bathroom features a walk-in shower, a w.c., a wash hand basin and underfloor heating.

From the rear of the house, across the patio to a stable door into the annexe. This is a long and spacious room with windows overlooking the rear garden. Laid out with a partial kitchen, with fitted base units and a granite work-surface, and with space for a fridge freezer. The rest of the room is laid out as a reception space. Subject to planning permission, this room could be converted along with the adjacent carport, and even up into the space occupied by Bedroom 2, to form a larger self-contained annexe or 'granny flat'.

The rear garden is a generous space, with a south-facing patio, an outdoor kitchen featuring a pizza oven, raised beds in the kitchen garden, an extensive lawn and mature beds. To the back of the plot are trees and a substantial shed building with power and light. The view to the rear is of open countryside and farmland.
