ACCOMMODATION

Set in the heart of the pretty Oxfordshire village of Highmoor, about a mile from Stoke Row and about 5 miles from Henley-on-Thames, this mid-century bungalow has been recently extended, updated and fully refurbished with contemporary finishes and open-plan living.

A gravel driveway with private parking and a gravel path lead up to the main entrance, with a composite front door. This opens into the main reception space - a large open-plan room which is the centre of the house, featuring laminate wood flooring with some underfloor heating and a high ceiling with a bright roof lantern. A seating area makes use of the cosy fireplace. The fitted 'Wren' kitchen features a large island in the centre of the space, with a quartz composite worktop, breakfast bar, a stainless steel sink with a tap and boiling water tap built in, an integrated dishwasher and storage under. Fitted wall and base units continue around the room and further integrated appliances include a separate fridge and freezer, a 2-oven 'Stoves' range cooker with induction hob and stainless steel extractor hood, and an integrated microwave. In the dining area, further cupboards and quartz worktops make a Welsh-dresser style unit, with a wine fridge. There is space for a 12-seater rectangular dining table, beside the French doors to the garden.

To the front of the house, a wooden door leads into the study / snug, which is carpeted, with a window to the front, recessed LED lighting, and space for a desk and a sofa.

The utility room is accessed from the central reception room, with wood laminate flooring, fitted wall and base units, space for a washing machine and a tumble dryer, a stainless steel sink set into quartz composite worktops, and a window to the front of the property. A corridor leads to the guest suite, with a shower room with a skylight, heated towel rail, a tiled walk-in shower, wash hand basin set into a cabinet. Further down the corridor, there is a composite door out to the garden. And a double bedroom (4) with carpets, LED lighting and a window overlooking the garden.

A further wooden door from the central reception area leads into the main accommodation area. Bedroom 1 is a carpeted double bedroom with a window to the front, LED lighting, a walk-in wardrobe, and an en suite bathroom with a front window with privacy glass. It features floor-to-ceiling tiles, a wash hand basin set in a drawer unit, a w.c., a heated towel rail and a panelled bath with a shower over.

Bedroom 2 is a carpeted double bedroom with a window to the side.

Bedroom 3 is a carpeted double bedroom with a window to the side.

The part-tiled family bathroom has a shower, a wash-hand basin set into a cabinet, a w.c. and a heated towel rail.

A part-glazed door leads into the large sitting room, with laminate flooring, LED lighting, and a picture window overlooking the garden. From there, a pair of part-glazed French doors lead back into the kitchen/dining room.

Outside

The South East-facing rear garden is a most welcoming space which has been lovingly laid out by the current owner who is a professional landscape gardener. A large tiled patio from the dining room creates a generous al fresco dining area, next to the attractive rendered walls of the extension. There is a useful warm and cold external tap. Mature flower beds, shrubs, trees and borders have been well-stocked. The garden is fringed by beech hedging and close-board fencing. A large wooden shed provides generous storage. The rear garden can be accessed via the side of the house and out to the front gravel driveway.
