ACCOMMODATION

Past the driveway and the garage, the house features a broad brick and vinyl-cladding exterior. An enclosed porch leads through a part-glazed wooden front door into the entrance hall, with carpet. A large open-plan sitting and dining room has a picture window to the front, and sliding doors to the south-facing garden at the rear. The room is carpeted, with pendant lighting.

A cloakroom has a wash-hand basin and a w.c., accessed via the entrance hall. There is an under-stairs cupboard housing the services.

The kitchen is in need of refurbishment, but provides a good space overlooking the rear garden. Featuring fitted wall and base units, a Formica worktop and tiled splashbacks. There is space for a free-standing fridge-freezer, a stove and washing machine, and a stainless steel sink looks out to the garden. There is a part-glazed door out to the patio and garden. An outdoor storage/utility room has a wooden door, and there is a wooden gate providing secure pedestrian side access from the front of the property.

A wide carpeted staircase with wooden banister leads up to the landing. Double cupboards - including an airing cupboard - provide useful storage.

Bedroom 1 is a large double bedroom, carpeted, with 2 windows and a glass door out to the balcony to the front, with a pendant light. A large walk-in cupboard provides generous storage and could be converted into an ensuite.

Bedroom 2 is a large double bedroom (currently in use as a study) which is carpeted, and has a picture window to the front, a fitted wardrobe and a pendant light.

Bedroom 3 is another comfortable double bedroom, with a window over the rear garden. There are fitted wardrobes and a pendant light.

The family bathroom is a very spacious room, with a shower, a wash-hand basin,

ample storage cupboards and a window to the rear. A separate room contains the w.c..

The house has central heating run from a gas boiler. The windows are secondary double-glazed.

Outside

The garage is attached to the front of the property, and is accessed via a wooden door next to the front door. It has lights, power and an up-and-over garage door. A pretty front lawned area with a flowerbed adds character to the exterior and a charming seating area enjoyed with neighbours.

The rear garden is fully enclosed, with plenty of sun throughout the day, with lawn, and with shrubs and mature planting in the flower beds. Some cutting back of the shrubs would reveal the full extent of the garden. A shed provides useful storage.
