LOCATION

This fine, family-run small touring park enjoys a convenient trading location in Summercourt, mid-Cornwall with easy access to the A30, making Resparva House Touring Park an ideal base for guests to explore the majority of Cornwall's landmarks, attractions and the north and south coasts, boasting a dramatic coastline and numerous sandy beaches.

DESCRIPTION

The well tended touring park has been carefully landscaped by the current proprietors and offers 13 spacious touring pitches, all with 16amp electric hook-ups and eight of the pitches having gravelled hardstandings.

This beautiful family-run park has a well appointed shower and toilet block and guests also have the benefit of a reception lounge area and a further backup shower/ wc.

This site offers an outstanding and well proportioned owners' residence which has been thoroughly refurbished by the current proprietors and includes oil-fired central heating and double glazing.

The accommodation briefly comprises a welcoming reception hall; sitting room with a focal fireplace; fitted kitchen; a further lounge and dining room.

On the first floor are five bedrooms, many of which are taking in far-reaching countryside views; cloakroom wc and family bathroom. In all, the property and site are set in generous grounds of approximately 1.3 acres including stocked, level lawned gardens and an orchard which, subject to planning consent, could offer more leisure/glamping opportunities.

THE BUSINESS

This small, family-run touring park has the benefit of a Site Licence for 13 touring pitches, being able to open from the Friday before Good Friday to the 31st October. However, our clients choose to trade principally Easter to end of September. In recent years, the park has generated sales in excess of £30,000 per annum, however, further potential does exist to enhance sales by trading as per the Site Licence and perhaps, as mentioned previously, applying for further glamping pitches in the generous orchard.
