Whether you're looking for your first home, a rental investment, or a property to renovate, this house offers a solid base in a highly desirable location.

On approach, the property welcomes you through a white UPVC door with attractive frosted glass panels, leading into the hallway. From here, stairs rise to the first floor, while an archway opens into the spacious and inviting lounge/dining room.

The lounge features a striking gas living flame fire set within a mahogany surround, complete with display cupboards built into the legs – a lovely touch of character. A part-glazed internal door leads into the kitchen, and a set of patio doors with an English rose design opens out to the rear yard, providing a bright and airy atmosphere.

An archway then leads into the utility room, which provides additional room for a fridge/freezer or even a small dining table. There is also a convenient ground floor WC for added practicality.
