STEPHENSON BROWNE

Presenting Orchard Cottage, a charming five bedroom detached cottage boasting approximately 3.5 acres along with its very own stables. Tucked away on Nursery Road, you are surrounded by fields giving you a semi-rural setting whilst being only a short drive into Alsager town centre and its many amenities.

The property is fantastically unique, oozing an array of traditional features with a modern twist. Over the years the cottage has seen a number of updates and extensions to make it what it is today. Comprising of: hallway, WC, lounge with feature log burner and double doors into the dining room, and a superb breakfast kitchen hosting a range of units, breakfast bar and Range cooker. Accessed via the kitchen is a versatile, highly impressive third reception room - currently home to a snooker table - with a multitude of uses, whether that's a game room, office or an additional entertaining space! To the first floor you will find the principal bedroom with en-suite, three more generous double rooms, a well proportioned single room, bathroom and a huge separate shower/wet room.

Externally, Orchard Cottage sits in the middle of the plot, offering exceptional off road parking for multiple cars and a sizeable wrap around lawn. The stables host a tack room and cater for three horses, making this the ideal lifestyle equestrian purchase, with paddocks and ménage behind.

Opportunities like these don't come for sale often! To appreciate everything this wonderful home has to offer, early viewings come highly recommended. Call Stephenson Browne today to arrange yours!
