STEPHENSON BROWNE

An EXTENDED four bedroom detached family home with a separate study and ground floor shower room, occupying a corner plot and beautifully presented throughout!

There is much more to this property than you may expect from your first glance, with flexible accommodation thanks to a sizeable ground floor extension! An entrance hallway leads to a spacious lounge and dining area, with a well-proportioned kitchen/diner also benefiting from patio doors to the rear garden. There is also a study, currently used as a workspace but offering the potential to be used as a bedroom, in part due to stylish shower room which is adjacent - this space offers excellent potential as an 'annexe' or for those requiring an additional ground floor room for an office space. Upstairs there are four bedrooms, with the master bedroom featuring an en-suite shower room, with a family bathroom completing the first floor.

Ample off road parking is provided via a brick paved driveway and an integral garage, with a lawned garden to the front featuring mature border shrubs. The fully enclosed rear garden features lawned and patio areas, offering an excellent degree of privacy and ideal for families looking to enjoy the best of the summer weather!

Harpur Crescent is a sought-after location in Alsager which is ideal for families, in part due to its close proximity to several schools, including Pikemere County Primary School and Alsager School, with easy access to the wealth of amenities within Alsager itself. Commuting links such as the M6, A500 and A34 are also only a short distance away.

An ideal family home offering flexible accommodation which is beautifully presented and must be seen to be fully appreciated! Please contact Stephenson Browne to arrange your viewing.
