STEPHENSON BROWNE

ENERGY EFFICIENT HOME - A highly impressive, executive FIVE DOUBLE BEDROOM family home is positioned on a small development of just three properties. Constructed in 2022 by the highly regarded 'Knutsford Construction' with energy efficiency in mind, this 2800 sq ft property is equipped with modern solar panels, an air source heat pump, elec car charging point and is built with the most efficient and insulating materials, giving it the rare honour of being an 'A' rated, energy efficient home.

This particular home has seen just one owner, and has been beautifully decorated throughout with a modern yet classic style. Accompanying the property are a wealth of attributes worthy of mention, some of which include:- Energy efficient double glazing throughout, underfloor heating to both the ground and first floors, a spacious lounge, engineered oak flooring and oak balustrade, a large open plan kitchen/dining/living area complete with contemporary 'shaker' style kitchen, a range of Neff appliances and twin bi-folding doors to the rear. There is also a separate handy utility room and well planned home office/sitting room on the ground floor. Upstairs, the contemporary theme continues with feature pendant light to the landing, all bedrooms on this floor are double rooms with built-in dressing area to the principle bedroom and two main bedrooms enjoy 'Villeroy & Boch' en-suite facilities plus a 'Villeroy & Boch' family bathroom. The second floor has an additional fifth double room with 'Roca' en-suite.

Externally, the property has a driveway to the front, providing invaluable off road parking and a well sized garden to the rear, perfect for entertaining family & friends all year round.

To fully appreciate this one of a kind, high specification home, as well as it's central location, viewings come highly recommended! Call Stephenson Browne today to book yours!
