STEPHENSON BROWNE

COUNTRY FARMHOUSE WITH 0.5 ACRES,
SURROUNDED BY OPEN COUNTRYSIDE -
TAKE A LOOK AT OUR VIRTUAL TOUR!

Holmshaw Farmhouse is a fine rural family home set at the head of a gated driveway and was completely rebuilt and modernised to a high specification in more recent years, with the exception of the original façade which dates back to 1912. A 'drive by' will not reveal the full extent of the accommodation which spans to circa 2,250ft².

Accompanying the property are a wealth of features to note, some of which include: Italian stone flooring to the majority of the ground floor, dual aspect lounge and dining rooms with Nordpeis burning stove and maple-wood floor to the lounge. The pièce de résistance of this home has to be the superb, entertaining kitchen area with its bespoke 'Sheerin' units, quartz worktops, large breakfast island with branded integrated appliances and French doors to the rear garden. There is plenty of space for hosting, eating and cooking; a truly family sized kitchen and we feel this is epitome of modern living! There is a large side hallway/lobby with cloaks cupboard and opens to the handy utility room with matching units to the kitchen and a useful downstairs cloakroom. Upstairs, there are four excellent double bedrooms including a principal bedroom with made-to-measure built-in bedroom furniture and a high specification en-suite shower facilities. The three remaining bedrooms - one of which also has stylish fitted robes, are served by an additional porcelain tiled, four piece family bathroom with quality sanitary ware.

Externally, the property is set well back from the road with a large gravel driveway leading up to a large detached double garage with twin electric doors and a staircase leading up to a versatile room above which would conveniently suit a home office or gym area! The grounds extend to 0.5 acres (approx) bordering working farmland with range of private seating areas, manicured lawns and heated pergola to be enjoyed all-year round!

To fully appreciate the property's peaceful position, true size, specification and grounds, early viewing is strongly advised!
