To the first floor are three double bedrooms with the principal having the en-suite shower room, and the family bathroom with a four piece suite completes the accommodation. Access to the loft area which is part boarded and having high ceilings with potential for conversion (subject to the necessary permissions).

To the front is a driveway providing parking for two vehicles, with a private, elevated rear garden. In addition to this, a separate plot is included having further parking for up to three vehicles and a private summer garden offering potential for a garage or building plot (subject to the necessary permissions).
