STEPHENSON BROWNE

A stunning FIVE DOUBLE BEDROOM detached barn conversion, with field/countryside views to the rear, featuring over 3500 square feet of accommodation and a huge detached workshop/garage!

An incredibly rare opportunity to purchase one of the most impressive and unique homes you are likely to find locally, which is presented to an exceptional standard throughout. Having undergone a full conversion in 2019, this detached barn features a fantastic high-specification finish throughout to create a simply gorgeous family home, with the space to match!

An entrance hallway leads to a downstairs W/C, a spacious lounge and the huge 42' long open plan kitchen/diner/living area, with bi-folding doors and a host of integrated appliances, with a further utility room and family room/study (or potential sixth bedroom) completing the ground floor.

Upstairs there are five double bedrooms, with a total of three en-suite bathrooms and a further family bathroom, whilst the principal bedroom also benefits from a walk-in wardrobe/dressing room. Well-proportioned throughout, all five bedrooms offer ample space, with four of the bedrooms enjoying fantastic views over the countryside to the rear of the property.

Off-road parking for multiple vehicles is provided via a gravelled driveway and a detached workshop/garage, which measures almost 60 feet x 30 feet and would make an ideal place to house a car collection or other machinery - given the position next to the property, there is also the possibility to convert to an office space for anyone who runs their own business (subject to planning permission).

The rear garden features decked and lawned areas and provides an ideal space to relax, with sensational panoramic views over countryside looking towards Whitchurch and Shrewsbury. Perfect for families and a real suntrap!

This is a home which must be viewed to be fully appreciated, and benefits from no onward chain - please call Stephenson Browne to arrange your viewing!
