STEPHENSON BROWNE

Set in the sought after and historic village of Mow Cop, this unique four bedroom detached home was individually designed and built by the current owner. Occupying a generous plot in an elevated position, it enjoys mature gardens to the front, side, and rear, ample storage throughout, and breathtaking front facing views. This is a rare opportunity to acquire a one of a kind countryside property with generous proportions and scope to personalise.

The property is approached via steps and a gate, leading to a front patio area that captures the stunning panoramic views across the surrounding landscape. The mature gardens are a true highlight, featuring lawned areas, a gated section offering privacy and flexibility, and an abundance of established trees and shrubs.

Inside, the ground floor begins with a porch opening into a welcoming entrance hallway with a cloakroom/WC. The open plan lounge and dining room create a sociable space, with the lounge featuring a working fireplace. The kitchen offers space for a range of appliances and leads to a utility room with generous storage. From the hallway, stairs rise to the first floor where you will find four well proportioned bedrooms, including a master with en-suite, alongside a family bathroom. The layout is perfectly suited to both family living and entertaining, with excellent potential to update to your own taste.

To the rear, there is access to the attached garage and a versatile workshop, ideal for hobbies or further storage, plus parking for multiple vehicles.

The picturesque village of Mow Cop is famed for its historic castle ruins, scenic walking routes, and welcoming community. With convenient access to local amenities, schools, and transport links to nearby towns and cities, this location offers the perfect blend of rural charm and everyday convenience.
