STEPHENSON BROWNE

GREAT POTENTIAL - GENEROUS GARDENS - AMPLE PARKING - Set back from Sandbach Road is a fabulous, one off opportunity, to acquire a large four bedroomed detached house with a completely self contained on bedroom annexe attached. The property sits in a wonderful plot between of approximately $\frac{3}{4}$ acre (subject to measurement) which is entered via a long sweeping driveway.

It is worth noting the development potential on offer considering the recently constructed neighboring properties (subject to planning permission).

The property stands within its own grounds and is surrounded by beautiful open countryside. The annexe has been cleverly designed to appear as part of the main dwelling and offers a solution to an all too frequent request which can rarely be satisfied. The main house accommodation briefly comprises entrance hall, sitting room, lounge, dining room, dining kitchen, rear porch/utility room and W.C. On the first floor there are four bedrooms and a family bathroom. Within the annexe the accommodation consists of a separate entrance hall, lounge, bedroom, bathroom and dining kitchen with rear porch.

Both dwellings enjoy the fabulous gardens and views to the front, sides and rear. Parking is available for a number of vehicles and a double garage attached.

To appreciate the properties position, size, potential and overall accommodation, an early viewing is highly recommended!
