Energy performance of buildings register

Properties are given a rating from A+ (most efficient) to G (least efficient).

Properties are also given a score. The larger the number, the more carbon dioxide (CO2) your property is likely to emit.

GENERAL INFORMATION

All measurements, areas and distances quoted are approximate only.

- Information provided in respect of planning and rating matters has, unless stated, been obtained by way of verbal enquiry only. Interested parties are, therefore, recommended to seek their own independent verification on such matters from the appropriate authorities.
- Location plans, if provided are for identification and directional purposes only. The area surrounding the subject property may have changed since the plan was produced.
 - Vickers Carnley have not tested any apparatus, equipment, fittings of services and so cannot verify they are in working order. Prospective purchasers are advised to obtain verification on such matters via their surveyor or solicitors.
 - All rents and charges are quoted exclusive of VAT which may be charged in addition if applicable.
 - These particulars were prepared April 2024 and every reasonable effort has been made by Vickers Carnley to ensure accuracy. Interested parties are, however, strongly advised to take appropriate steps to verify by independent inspection.
