Park Road, Kingston

Upon Thames

DESCRIPTION

Highwood House is a newly constructed 3 storey office/D1 building to be provided in a shell and core condition. The accommodation is ideal for a single occupier, however with 3 ground floor entrances and central core, the property readily lends itself to multiple occupation.

On Park Road in the charming town of Kingston Upon Thames, this nearly new commercial property presents an exceptional opportunity for businesses seeking a modern office space. The newly constructed three-storey office is offered in shell core condition, allowing for a bespoke fit-out tailored to your specific needs.

A passenger lift provides level access to all floors, while solar panels fitted to the roof will supply electricity to the building, potentially reducing utility bills. The property also boasts four private parking bays to the rear.

Prominently located on the corner of Park Road and Borough Road and close to the junction with London Road (A308), providing direct access to the A3, approximately 3 miles away, which in turn provides a link to Central London. Access via Kingston Bridge and Richmond Park lead to a fast road connection to Heathrow and both the M3 and M4 motorways. Norbiton railway stations is within an 8-10 minute walk, providing regular direct services to London Waterloo, via Wimbledon and Clapham Junction where you can pick up a fast rail service to Gatwick Airport.
