Agents Notes

In most cases we use wide angle lens photography to ensure we capture as much of the room and its features. This can distort the image slightly and should be considered alongside the other details within the

particulars. Oscars give notice that these particulars whilst believed to be accurate are set out as a general outline only for guidance and do not constitute any part of an offer or contract. Purchasers and potential purchasers should not rely on them as statements or representations of fact, but must satisfy themselves by inspection or otherwise to assess their accuracy. No person in the employment of Oscars has the authority to make or give any representation or warranty in relation to the property. In compliance with NTSELAT guidance on referral fees, we confirm that vendors and prospective purchasers will be offered estate agency and other associated services for which certain referral fees/commissions may be made available to the agent. Full details can be found on our website

Fixtures and Fittings

Fixtures and fittings within the property may be available by separate negotiation unless otherwise stated. Any items of particular importance to you can be verified with our team. Free Valuation: If you are considering selling or letting your property, we would be delighted to provide a free valuation and marketing advice. Please contact the office on 01482 446644 to arrange an appointment.

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance) (<https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance>).

Energy rating and score

This property's energy rating is B. It has the potential to be A.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

Score	Energy rating	Current	Potential
92+	A		94 A
81-91	B	85 B	
69-80	C		
55-68	D		
39-54	E		
21-38	F		
1-20	G
