

**BATTERSEA & NINE ELMS  
ESTATES**

## 4 Riverlight Quay London £850 Per Week

A two bedroom, two bathroom apartment set in the exclusive Riverlight development. This modern apartment benefits from contemporary interior design, communal facilities and excellent public transport links.

Riverlight has all the ingredients of the perfect London development, designed by the world-renowned architects Rogers Stirk Harbour + Partners. Set at the heart of the cluster of developments on the waterfront, the architects behind Riverlight have planned an oasis of landscaped communal gardens and open space within this development. Together with the excellent transport links from Vauxhall, Battersea Power Station and Nine Elms stations, Riverlight presents an opportunity to make the most of what London has to offer.
