- Crawley has an unemployment rate of 3.7%, higher than average for the South East (3.1%).
- The entire population of London and the South East can be reached within a 2.5 hour HGV drive from the site, while over 60% of the UK population (40.5 million people) live within a 4.5 hour HGV drive time.
- 41,500 people employed in manufacturing or transportation and storage within a 30 minute drive time from the site.
- Labour costs in Crawley are competitive by South East standards. Average salaries for Warehouse Operatives (£9.10 per hour) and Warehouse Managers (£28,500 per annum) are lower than other South East logistics hubs such as Milton Keynes and Reading.
