Description
Nestled in the heart of the highly regarded residential area of Whiston, 15 Moorland Crescent presents a fantastic opportunity for families looking to settle in a welcoming and well-established community. This beautifully maintained three-bedroom semi-detached home offers an excellent blend of interior space, outdoor comfort, and convenience, making it a superb choice for family life.

As you arrive, you are greeted by a neat and attractive frontage, complete with a well-kept lawn, decorative gravel area, and a spacious driveway that leads to a detached garage — ideal for secure parking or additional storage. The home's appealing brick façade and quiet cul-de-sac position provide a calm, family-friendly atmosphere from the outset.

Step inside and you'll immediately appreciate the sense of warmth and space. The entrance hall is welcoming and practical, providing access to the main living areas and staircase to the first floor. The lounge, located at the front of the home, is a generously sized room flooded with natural light from the large front-facing window. Tastefully decorated and comfortably appointed, it's the perfect setting for relaxed evenings with the family.

Flowing through to the dining area you'll find ample space for a family dining table, making this area perfect for both everyday meals and entertaining guests. The conservatory, accessed via sliding doors, offers an additional versatile living space that brings the outside in — perfect as a playroom, reading nook, or a quiet retreat overlooking the rear garden.

The kitchen is well-appointed and highly functional, featuring modern units, plentiful worktop space, and integrated appliances. A rear door opens onto the patio area, making it easy to enjoy alfresco dining or keep an eye on children playing outside.

Upstairs, the first floor offers three well-proportioned bedrooms and a modern family shower room. The main bedroom and second bedroom are both spacious doubles, with room for wardrobes and additional furniture, while the third bedroom makes an ideal child's room or home office. The contemporary shower room is bright and stylish, with a walk-in shower enclosure, sleek tiling, and built-in vanity units.

Externally, the home truly shines for families. The rear garden is split into two defined zones — a lower patio area perfect for outdoor dining and seating, and a raised lawned garden ideal for children to play or for planting and gardening. Fully enclosed with fencing for privacy, this space offers peace of mind and excellent usability throughout the seasons. The detached garage, accessible from both the driveway and the garden, provides additional flexibility for storage or even conversion into a home gym or office (subject to planning).

Situated in a highly sought-after part of Whiston, the property enjoys excellent access to local nursery and primary schools, transport links, and amenities. Popular primary and secondary schools are within easy reach, and nearby shops, parks, and healthcare facilities make day-to-day family life both easy and enjoyable.
