A deceptively spacious three bedroom end of terrace property in the popular village of Claughton (between Caton and Hornby), a mere ten minute drive from junction 34 of the M6 and the Bay Gateway link road. A great hub for commuters who want the semi-rural living with the convenience of transport links to Lancaster and surrounding villages.

Upstairs a large double bedroom sits at the front of the house, with a second double bedroom, WC and bathroom to the back of the property. A well-proportioned attic room sits at the top of the house, great for use as a third bedroom, home office or hobby space. There is a good sized dry cellar below the property, great for storage. Externally a small patio, car port and divorced garden offer outdoor space, with a wood built workshop offering additional storage for garden equipment and materials.
