## Ground Floor

### Hall

**10'11" x 3'2" (3.35 x 0.98)**

The carpeted hallway features a single panel radiator along the wall creating a warm and welcoming entrance to the home. A small porch with internal door offers room for shoes, with hanging hooks above the radiator great for outdoor coats and accessories.

### Reception 1

**12'4" x 10'5" (3.77 x 3.19)**

The large living room at the front of the house boasts a large double glazed bay window that provides daylight and looks out for the street. There's ample space on the carpeted floor for multiple sofas, coffee table and entertainment units, with alcoves either side of the chimney breast providing additional storage space. A picture rail runs around the perimeter of the room, with both wall lights and a central ceiling light making this a bright and comfortable space for entertaining and relaxing.

### Reception 2

**11'8" x 9'11" (3.56 x 3.03)**

A well-proportioned reception room at the rear of the property is open to the kitchen through an open archway and would make a fantastic dining space or potential kitchen extension. The carpeted floor boasts space for a desk, dining table and large fridge freezer, with alcoves either side of the chimney breast offering additional storage space. A glass paned UPVC door leads out to the rear garden with a double glazed window beside allowing the space to be opened up in the warmer months. A deep understair cupboard provides further storage and the ideal spot for bulky household gadgets, clothing and houses the Potterton boiler for the house.

### Kitchen

**11'8" x 5'5" (3.57 x 1.67)**

The practical kitchen sits at the back of the house with a double glazed window looking out to the rear garden and providing lots of natural light. A four ring hob sits above the Indesit single oven, with a sink and drainer set in the countertop beneath the window. There's plenty of storage space with over and under counter cabinetry on two sides and

space below the counter for a washing machine. A grey tile affect vinyl floor and central pendant light complete the functional kitchen space.

### Landing

**15'10" x 5'6" (4.84 x 1.68)**

A bright carpeted landing connects the upstairs bedrooms and bathroom. With two skylights above from the attic space, the landing feels bright and airy, with white painted walls and white woodwork helping spread the light. Two storage cupboards sit either end, with shelf space for airing linen and laundry.

### Bedroom 1

**10'6" x 9'3" (3.21 x 2.84)**

A well-proportioned double bedroom sits at the back of the house, with a large double glazed window overlooking the garden and filling the room with natural light. There is ample room on the carpeted floor for a double bed, wardrobes, drawer units and a desk, giving you flexibility to configure the room to meet your needs. A double panel radiator sits against the wall, with a picture rail and a central ceiling light completing the inviting bedroom.

### Bedroom 2

**10'5" x 9'10" (3.18 x 3.02)**

A good sized double bedroom at the front of the property currently houses a superking bed with room left over for bedside tables and drawers. The carpeted floor matches the rest of the upstairs giving a sense of cohesion in the decor. With a double glazed window on the front aspect and a central ceiling light, it's a bright useable space throughout the day and night. A double panel radiator sits against the wall by the door completing the warm and welcoming bedroom.

### Bedroom 3

**10'4" x 5'8" (3.17 x 1.73)**

A carpeted single bedroom at the front of the house featuring a double glazed window to the street. There is ample room for a single bed and storage, with a single panel radiator by the entrance making it a comfortable sleeping space. It would also make a great home office or hobby room depending on your needs. A picture rail runs around the perimeter of the room with a central ceiling light completing the versatile space.

### Bathroom

**9'2" x 4'10" (2.80 x 1.49)**

A functional three piece bathroom sits off the landing with a frosted double glazed window on the rear aspect providing daylight and a central ceiling light for evening use. The suite includes a bathtub with overhead shower, low flush toilet and a fluted pedestal sink. The walls are half tiled with statement wallpaper above and a practical grey tile effect vinyl floor below. The room needs some TLC with slight mould and plaster repair needed to the ceiling and some areas of cracking in the vinyl floor. A single panel radiator sits against the wall by the entrance.

### Rear Garden

A good sized rear garden offers the ideal spot to soak up the sun and host summer gatherings with friends and family. With a paved patio, gravel garden and planting bed borders you can design the space to your taste. A brick built open storage shed at the rear of the garden sits beside the rear access gate, with some fencing in need of repair to make it safe and secure for children and pets.
