To the right, a Living Room can be found, providing a calm and cosy retreat after a busy day. With period coving and picture rail, a feature gas fire set in a decorative surround and exposed wooden flooring. The Dining Room is next along the hall, and provides a perfect back drop for family get togethers and social gatherings. It also provides an open outlook across the surrounding Lancashire Countryside, with incredible moorland views towards the Forest of Bowland and Clougha Pike. With ample storage areas, this leads to a small but perfectly formed Kitchen. With granite worktops, ample storage and integrated appliances which include a fridge freezer, a four ring hob with extractor and plumbing for a washing machine and dishwasher, with a wooden glazed door providing access to the rear.

To the first floor, two generous bedrooms can be found as well as a stylish four piece bathroom. Exceptional views cascade from all the rear rooms of this property towards the Forest of Bowland, Clougha Pike and the surrounding countryside. A loft room (with restricted head height) completes this property, providing an excellent occasional bedroom, ideal office space or simply a hobby room.

This wonderful home requires TLC in areas, with works needed such as new central heating boiler. The vendor had also noticed an area of damp on the inner wall in the living room, as well as cracking in the plaster on the first floor. They have been proactive in seeking a survey and found there to be a small area of rising damp, and the cracking has been found to be historic / due to water ingress, remedied by a new roof installed in 2020. For more information RE the survey, please do not hesitate to contact our sales team.
