The Property
The property is situated in a tucked away position beyond a private drive and benefits from generous parking, which includes a detached garage to one side. The property accommodation includes three bedrooms, a reception room, kitchen, and bathroom. The sitting room and main bedroom both enjoy a south westerly aspect and some of the most impressive views that are likely to be found in the local area. Adjacent to the rear patio is an adjacent outbuilding, which with some refurbishment, could make an impressive garden room or home office.

The Grounds
The grounds are a particular feature of the property and include generous lawns and numerous fruit trees, which extend to in excess of 2 acres. The grounds are a little over 350 feet wide and the depth extends to a little over 360 feet. Beyond, the property is the Pednor Loop, which is a popular route for ramblers, looking to enjoy fabulous walks and open countryside, all of which forms part of The Chilterns Area of Outstanding Natural Beauty.

Planning

The agreed planning allows for a large kitchen diner extension with vaulted ceilings which will give outstanding views over the valley. The side extension gives a large utility and downstairs WC. There is planning for a rear extension to include two further large bedrooms. The loft has permission for dormers, bedroom and bathroom. In addition a large attached games room sits to the side of the property. In total the agreed planning allows for a home of approximately 240m squared. This could easily be altered or changed (subject to planning) and would allow for a rebuild to the potential buyers ideal design. It should be noted that the property is being sold unconditional of any specific planning other than the current granted application and will not be sold on a 'subject to planning' basis.
