Ground Floor

You are welcomed into the home by an exceptionally spacious entrance hall, featuring a staircase rising to the first-floor landing and doors leading to the ground floor accommodation. At the front of the property, a dedicated study with a triple-aspect box window provides an ideal workspace, perfectly suited for a desk and home office set up. A stylish cloakroom is fitted with a contemporary white two-piece suite for guests' convenience. The generous dining room enjoys a front-facing window and connects seamlessly to both the formal living room via double doors and the expansive open-plan kitchen/breakfast/sitting room. Designed with family living in mind, the kitchen area is zoned into three distinct spaces: a well-appointed kitchen with ample base and eye-level units, a relaxed sitting area ideal for a sofa and coffee table, and an adjoining conservatory that serves beautifully as a breakfast room. The kitchen is further enhanced by a separate utility room with direct access to the rear garden. The principal reception room is a standout feature of the home, enjoying a dual aspect with French doors opening to both the front and rear gardens—filling the space with natural light and offering effortless access to outdoor living.

First Floor

The first floor has a large landing with hatch opening to the attic space and doors to all first floor bedrooms and to the family bathroom which has the advantage of being fitted with both a shower cubicle and separate bath. The principal bedroom has a lovely vaulted ceiling, window to the front, a range of fitted wardrobes and a door opening to an ensuite bathroom. The second bedroom is also of brilliant proportions with French door opening to a Juliette balcony which overlooks the rear garden and also has the advantage of an ensuite shower room. The three remaining bedrooms all benefit from fitted wardrobes with one of the bedrooms also having a useful vanity unit.

Outside

To the front of the property is a block paved driveway providing parking for several cars and leads to the detached double garage with metal up and over doors and storage into the roof eaves. There is a pretty garden to the front with a herbaceous border and several specimen trees. A pathway leads to the front door and to a pedestrian gate to the side leading to the rear garden. The Southerly facing rear garden is a real sun trap and is the ideal space for a family. Directly to the rear of the house is a generous flagstone patio area with pergola over leading to the main portion of the garden which is laid to lawn and fully enclosed with panelled fencing incorporating clever mood lighting and electric cabling to the far corner which would be the ideal place to install a garden cabin.
