Positioned on approximately one third of an acre, this generous single-storey home sits within a peaceful garden setting thriving with local wildlife and provides a spacious family home with flexible accommodation including a self-contained garden annex - providing a fantastic income opportunity as a holiday let or a perfect solution for multi-generational families requiring independent living arrangements.

Occupied and carefully maintained by the same family for 27 years, 1 Sandy Close benefits from many significant home improvements over the past few years, such as a new contemporary kitchen with integrated appliances, refreshed interiors including grey carpets, extensive maintenance to the roof and windows where required, and replacement soffits and guttering. Additionally, the property benefits from solar roof panels providing a percentage of free electricity during sunshine hours and has also achieved an impressive rating of A in the EPC assessment, indicating that the property is a very energy-efficient home.

Providing further potential to be modernised if required, the accommodation in the main home comprises a large entrance porch leading to an en-suite double bedroom and an entrance hall which proceeds to a further three double bedrooms (one with an en-suite cloakroom), a family bathroom, and a spacious kitchen-breakfast room. Beyond the kitchen is a generous lounge-diner providing a naturally light, dual aspect space with a log-burning stove, creating a cosy environment during the winter months.

Nestled away in a quiet cul-de-sac in the village of Blackwater, located just two miles from Newport town centre, 1 Sandy Close is perfectly well connected to countryside walks yet still close to Newport town centre and local supermarkets. Within a two-minute walk from the property is the Red Squirrel Trail which is a 32-mile-long cycle path through the heart of the Isle of Wight's countryside towards Sandown or Newport. Along the way there are a variety of cafe's, nature reserves and riverside tracks with plenty of wildlife to enjoy. A frequent bus service by Southern Vectis serves this area providing access to Newport, Ryde, Sandown, Shanklin and Ventnor. Being located at the centre of the island means that the beautiful coastline is never too far away. Additionally, mainland transport links are within easy reach with regular car ferry services from Fishbourne to Portsmouth and East Cowes to Southampton located under a 30-minute drive away from the property.
