Welcome to 21 St Michaels Road

From this popular residential street, a wide, resin bonded driveway spans the property and provides parking for up to three vehicles. Modern grey fencing complements the period façade of the building, which also benefits from security lighting/camera and a smart black composite front door which provides a welcoming entrance into the property.

Entrance Hall

extending to 16'6" (extending to 5.04m)

The entrance hall is presented in a soft grey scheme, and has twin windows to the side aspect. Doors provide access to the shower room and dining room, and stairs lead to the first floor, creating a space under that could become a study area, and there is a full-height cupboard that is home to the consumer panel. The hallway has a modern grey wood-laminate floor which flows through an open archway into the lounge.

Lounge

11'8" max x 10'11" (3.58m max x 3.35m)

The cosy lounge is arranged around a characterful chimney breast, which features a sleek electric fire. A large window to the front aspect fills the room with light, complemented by a contemporary feature light, and the soft grey décor continues.

Dining Room

11'8" x 10'10" (3.57m x 3.32m)

The laminate and décor flows into the well-proportioned dining room, which has plenty of space for a large dining table and benefits from a feature light. An open archway connects the dining room to the kitchen/breakfast room.

Kitchen/Breakfast Room

17'10" x 10'8" (5.45m x 3.27m)

Spanning the width of the house, the open-plan kitchen/breakfast room is a social space at the heart of the home. The kitchen is a blend of base, wall and full-height cabinets, presented in a pale grey and complemented with wood-laminate worktops and neutrally tiled splashbacks. There is a 1.5 bowl sink and drainer, with a swan neck mixer tap, set beneath a window which looks over the covered patio, and a large 8 ring range, with a matching extractor hood over. The kitchen has spotlights and plinth lighting, space for a washing machine and slimline dishwasher, and a stable door to the side aspect. The kitchen wraps around, with a peninsula creating a soft divide in the room and enhancing the social ambience. The breakfast area has room for a table or sofa, a feature brick wall, and large sliding doors which connect to the covered patio. The kitchen/breakfast room is finished with an attractive and practical tiled floor.

Shower Room

5'9" x 5'2" (1.76m x 1.60m)

Fully tiled in a modern grey scheme with stylish mosaic detailing, the shower room has a window to the side aspect with frosted glass for privacy, a fitted storage cabinet, recessed spotlights and an extractor. There is a contemporary black framed walk-in shower enclosure, complete with rainshower and standard heads, a compact vanity basin with a mixer tap and illuminated mirror over, and glossy grey storage cabinets under, and a matching dual-flush low-level WC.

First Floor Landing

extending to 6'10" (extending to 2.10m)

A fresh white balustrade, soft grey décor and a plush grey carpet lead up to the first-floor landing. A window at the top of the stairs provides plenty of natural light, and a hatch gives access to the loft. Period panel doors are finished in white and lead to all three bedrooms.

A secure gate gives access to the side of the house and on to the rear garden. To the rear, a large, covered, decked patio provides a wonderful outside seating or dining area and extends the living accommodation. Beyond the patio is a large lawn, enclosed on either side by high-quality fencing. A hardstanding provides a further seating area or would make an ideal hot-tub base, as it comes complete with a power outlet, and beyond the hardstanding is further lawn, complete with a large shed.
