Welcome to 2 Royal Crescent

From this popular crescent, a driveway is surrounded by mature flowering shrubs, with steps leading up to a grand portico that shelters the front door. The period panel front door provides access into the entrance hall.

Entrance Hall

extending to 13'6" (extending to 4.12m)

Spacious and light, the welcoming entrance hall has a large sash window to the side aspect, pendant lighting, neutral white décor and stylish grey painted floorboards. A door leads to the lounge, and an open archway leads to the kitchen.

Lounge

14'7" into bay x 13'4" (4.46m into bay x 4.08m)

The large lounge has twin sash windows to the front aspect, set into a broad bay, a fireplace with a stone surround, deep skirtings, a picture rail and high ceilings. Presented in white with a dark grey feature wall, a central chandelier and a pair of radiators, the lounge is finished with a soft grey carpet.

Kitchen/Diner

14'0" x 9'10" (4.29m x 3.02m)

Another generously proportioned room, with room for a dining/breakfast table, the kitchen comprises a mix of base and wall cabinets, with beech effect doors, dark roll-edged worktops and black metro-tile splashbacks. The period features continue, with a picture rail, sash window to the side aspect and painted grey floorboards, and the kitchen also has an integrated extractor hob, inset sink and drainer with a mixer tap, and space for a dishwasher, oven and large fridge-freezer. There is a radiator and feature light, and doors lead to the stairs to the lower ground floor and into the conservatory.

Conservatory

12'1" x 11'7" max (3.70m x 3.55m max)

The conservatory is fully glazed to provide a wonderful wraparound view of the rear garden, with French doors giving access to the outside. The conservatory also has power and lighting, and a lazy-lawn floor covering.

Lower Ground Floor Hall

extending to 18'1" (extending to 5.53m)

Neutrally carpeted stairs descend from the kitchen down to the inner hallway, which is finished in fresh white, benefits from a radiator, and has stripped-pine panel doors to all four bedrooms, the study, bathroom and to the shower room.

Bedroom One

14'7" into bay x 13'0" (4.46m into bay x 3.97m)

The primary bedroom mirrors the lounge above, with a broad bay complete with twin sash windows which fill the room with light. Pale walls combine with a neutral carpet, and there is also a period white-painted fireplace, a radiator and a pendant light.

Shower Room

The L-shaped shower room has a corner shower enclosure, tiled in white, with a matching pedestal basin with mirror over and dual-flush low-level WC. The neutral tiled floor is complemented by white walls and there is a central light, window with frosted glass for privacy and a fabulous botanical themed feature wall. A stripped pine panel door provides access to a usefully large understairs cupboard.

Bedroom Two

12'10" x 10'11" (3.92m x 3.34m)

Currently in use as an enchanting art studio, the second bedroom is generously proportioned, with windows and a door to the utility space. Bedroom two also benefits from a vanity basin with tiled splashback, neutral carpet, radiator and a central light.

Bedroom Three

12'9" x 10'10" max (3.90m x 3.32m max)

Bedroom three has a sash window to the side aspect, a chimney breast which adds character, a central light and radiator, neutral décor and a good-size built-in cupboard.

Bedroom Four

11'11" x 10'0" (3.65m x 3.07m)

Another well-proportioned double room, bedroom three has a window to the front aspect, radiator, central light and is finished with neutral décor and carpet.

Study

9'1" x 6'7" (2.79m x 2.02m)

Neatly tucked away, the study is presented in a rich colour scheme with a nature inspired feature wall over a neutral carpet. There is a sash window to the side aspect, central light and a radiator, concealed behind a decorative cover.

Bathroom

The character continues, with a blend of white walls, white wall tiles and neutral floor tiles, and a full-size bath with period painted panel and a heritage style mixer shower tap, a pedestal basin and a dual-flush low-level WC. The bathroom also has a radiator, a central light and an extractor.

Lobby & Utility

10'9" x 4'11" plus lobby (3.29m x 1.50m plus lobby)

Grey painted steps lead from a door adjacent to the conservatory, down to a lobby, providing an extremely useful space. A door leads to a further large storage area, and a door leads into the utility area. The utility area, which can also be accessed internally from bedroom two, has a worktop with cupboards under and over, plus space for a washing machine and tumble dryer. A door leads to a large cupboard, and the utility is finished with a hardwearing vinyl floor.

Outside

To the front, a hardstanding provides parking for a single vehicle, enclosed on both sides by mature planting and trellis fencing. The well-established planting continues with a path that leads to the side of the property, providing further storage and access to a gate to the rear garden. The private, enclosed rear garden is a mix of lawn and well-established shrubs and trees, with colourful flowers providing a wonderful haven for visiting wildlife.
