This charming mews cottage, believed to have been part of the original stables for nearby Stone-Pitts house, is constructed from beautiful real stone, topped by a gambrel roof. Converted into cottages circa 1960, the property benefits from gas central heating and leaded double glazed windows throughout. This open plan and spacious accommodation could provide a purchaser with an appealing holiday home or let. Close by, 'Ladies Walk' footpath provides opportunities for picturesque strolls, as it cuts through Ryde golf course and leads onto Binstead beach and the tranquil and historic sites of Binstead Holy Cross Church and Quarr Abbey.

Enjoying a quiet off road location on the border of Binstead village, this lovely home is perfectly situated less than two miles from the popular seaside town of Ryde, which boasts expansive sandy beaches, independent boutique shops and an exciting range of restaurants and bars. Binstead village is well serviced by a Post Office and general store as well as a family-friendly gastro pub with incorporated farm shop. The local community centre and Ofsted rated 'good' primary school, are situated nearby, alongside a recreational field and children's park. Conveniently positioned between Ryde and Fishbourne, the property is ideally located for those making use of the high-speed foot passenger and car ferry services to Portsmouth, as both are less than a ten minute drive away. Providing good connectivity to many island-wide amenities are the nearby bus stops on the Southern Vectis route between Ryde and Newport, which serve the village every fifteen minutes during the day.

The property's accommodation is comprised of a ground floor with entrance hall, fitted kitchen and an extensive open plan lounge/diner. The first floor provides one single and one substantial double bedroom, alongside a modern shower room.
