Positioned in an Area of Outstanding Natural Beauty, 4 Woodside Avenue occupies a spacious plot and offers an idyllic family lifestyle in a highly desirable, peaceful location within Alverstone Garden Village. Believed to date back to the 1930s, the property is one of the first houses to be built on the development and provides a deceptively spacious home with flexible accommodation offering plenty of scope to modernise if desired. The property's layout provides incredible versatility which could be set up to offer a two-bedroom annexe or one generous four to five-bedroom home, perfect for a growing family or a multi-generational household requiring independent spaces.

Upon stepping into an entrance hall, the accommodation features voluminous high ceilings and comprises a spacious, cottage-style kitchen-diner, a snug which could provide a fifth bedroom, a living room with French doors to the garden, and a convenient ground-floor bathroom. The ground floor continues to the annexe side of the home, which consists of a lounge, two double bedrooms, and a shower room. A staircase from the entrance hall proceeds to two spacious double bedrooms with lovely rural views beyond the rear garden and an en-suite in the principal room.

Outside, 4 Woodside Avenue enjoys a fabulous south-facing garden with lovely rural views beyond and a charming summer house offering an opportunity to create a garden room or an outdoor office. The highlight of the outdoor space is a large, heated swimming pool which is sheltered within a generous pool house, providing poolside fun all year round. Additionally, the property benefits from ample driveway parking with a detached garage to the front.

Located between Sandown and Newchurch, the highly desirable Alverstone Garden Village is set within the Youngwoods Copse and is close to unspoilt woodlands, nature reserves and an abundance of countryside walks. Newchurch is close by and provides village amenities and access to the Islands network of cycleways. The Alverstone village store is just a short drive from the property and the towns of Shanklin and Sandown are located under five miles away where you will find a variety of shops, restaurants, pubs and expansive sandy beaches. The Island's historical county town of Newport can be reached within a 20-minute drive and also provides plenty of amenities.
