Welcome to Copperfield

From popular Sibden Road, a block paved driveway provides parking for two vehicles, and leads onto the smart red-brick façade of Copperfield. A woodgrain front door has decorative glazed panels and leads into the entrance hall, which provides a useful space for coats and boots and leads into the living room.

Living Room

16'9" x 11'4" extending to 19'9" (5.11m x 3.47m extending to 6.04m)

The living room is light and airy, featuring a spacious layout with fresh white décor and elegant, high-quality wood-laminate flooring. A chimney breast adds character, housing a stylish gas log effect fire. Stairs lead to the first floor, with a door providing access to an under-stair storage cupboard, and there is a door which opens into the cloakroom. A large window offers a view to the front aspect, while a red-brick feature wall with an archway connects the dining area, creating an open-plan atmosphere.

Dining Room

9'6" x 9'5" (2.91m x 2.88m)

The white décor and wood-laminate flooring flow through into the dining room, which has plenty of space for a dining set with feature lighting over. Glazed panels combine with French doors to fill the room with light and create a seamless connection to the rear terrace. A door leads into the kitchen.

Kitchen

9'10" x 9'10" (3.02m x 3.02m)

The modern kitchen is beautifully presented, with a combination of glossy cream base and wall cabinets, complemented with natural grey worktops, grey tiled splashbacks, white walls and a neutral vinyl tile-effect floor. A window provides a lovely view over the rear garden, and a glazed door leads onto the side path. Integrated appliances include an oven, gas hob and matching extractor hood, and a fridge, plus there is an inset sink and drainer set beneath the window.

Cloakroom

The cloakroom is ideally positioned to service the ground floor, and comprises a dual-flush low-level WC and a compact wall mounted basin, with tiled splashbacks and floor. A door leads into the utility/garage.

Utility/Garage

11'7" (total) x 7'11" (3.55m (total) x 2.43m)

The integral garage has been divided to create a utility area and a storage room. The dividing wall could be easily removed to return to a garage if required by a new owner, and the garage space could provide an opportunity to be used as additional accommodation subject to any necessary consents. Currently, the utility area has space and plumbing for a washing machine and additional appliances, and is also home to the consumer panel and meters, and a door leads into the storage space, which retains the original up-and-over door for easy access.

First-Floor Landing

A characterful turning staircase has a fresh white balustrade with a hardwood handrail and a neutral carpet, and benefits from a large window with patterned stained glass which fills the space with light. Doors lead to all three bedrooms, to the bathroom and to the WC, and a hatch gives access to the loft, which is fully insulated, and has boarding and electricity.

Bedroom One

13'5" max x 9'8" max (4.09m max x 2.95m max)

Well-proportioned and light, the primary bedroom has a built-in double wardrobe and an additional single wardrobe, neutral décor and carpet and a window to the front aspect.

Bedroom Two

11'6" x 9'8" (3.51m x 2.97m)

The primary bedroom is a good size, with fresh décor and a neutral carpet, and benefits from a large window looking over the rear garden.

Bedroom Three

9'9" x 10'8" max (2.99m x 3.27m max)

The third bedroom is another good size double bedroom, with neutral décor, a window to the front aspect, and a built-in airing cupboard which is also home to the annually serviced Worcester gas combi boiler.

Bathroom

Fully tiled in a neutral scheme and with a vinyl floor, and a light ambience with a window to the rear aspect with frosted glass for privacy, the bathroom has a full size bath with a shower over, complete with a glass screen, and a pedestal basin with a fitted mirror over.

WC

Conveniently separate, the WC is presented in a neutral scheme with tiling, with a vinyl floor, and a window to the side aspect with frosted glass.

Outside

To the front, the block-paved driveway provides enviable parking, and has a decorative curved gravel border to one side complete with a mature palm tree. A gate leads to a side-path which connects to the rear garden. The beautifully landscaped rear garden features a block paved terrace to the rear elevation of the property, providing a wonderful outside seating or dining area. From the terrace, steps lead up to a lawn, complete with well-established borders, gabion stone retaining walls and a further gravel border which has created another fabulous seating area.
