Built circa. 1900, this beautiful family home is situated in an elevated position with wonderful views towards the sea and Bembridge Harbour and benefits from a quiet set back position from St Helens Green. The charming property comprises a porch which opens into the dining room, at the heart of the home. From here, the sitting room, study/bedroom three, ground floor cloakroom, and kitchen, with access to the sunroom, can be accessed. The stairwell to the first-floor landing is found in the dining room which leads up to two double bedrooms, the family bathroom, and a dressing room off bedroom one. The garden wraps around the side and rear of the property and offers spectacular views as well as leading up to a large workshop space.

Offering an idyllic, yet convenient lifestyle, Lichfield is perfectly placed to take advantage of a wide variety of village amenities which are just a short stroll away - including a convenience store, a primary school, a doctors' surgery, and a couple of renowned restaurants as well as a traditional village pub. Stretching across the village and forming a focal point within the community, the vast St Helens village green hosts regular sporting events throughout the year, and there is also a good-sized children's play area. The marina is located just outside of the village in Bembridge Harbour where regular fishing charters can be enjoyed. At the opposite end of the village the road runs down to St Helens Duver which sits at the mouth of Bembridge Harbour, where during the summer months, one can enjoy the delights of the beach cafe, and the beautiful sandy beaches which are maintained by the National Trust. The vast sand dunes at St. Helens Duver are popular for dog walking, picnics and barbecues. Furthermore, frequent bus services link the village with Newport and the seaside town of Ryde which provides mainland travel links, and there is a superstore located just a ten-minute drive from the property.
