Lovingly maintained and beautifully updated over the nearly 40 years of ownership, this property presents an exciting opportunity to acquire a period cottage which has only been to the market twice within the last 100 years. The property has undergone a complete restoration, with the help of local builders, when the property was first purchased by the current owners and has since been beautifully maintained to showcase modern day living with characterful features. The cottage comprises a porch opening into a large entrance hall which provides access to the dining room, the utility room which continues to the kitchen and ground floor shower room, and to the living room which also opens into an additional bedroom/study. The stairwell from the entrance hall leads up to the first-floor landing and provides access to three double bedrooms and a large family bathroom. Outside is a wonderful patio which enjoys the morning sunshine, and the rest of the garden is mostly laid to lawn. The annexe is situated to one side and comprises an open plan living/dining area with a kitchen, plus there is access to two double bedrooms, a shower room, and a cupboard. It creates an exciting opportunity for multigenerational living, income potential, or for use as an office or storage. The property benefits from ramped access from the parking area to the rear door of the cottage.

The property benefits from nearby village amenities, including a highly regarded pub and a garage. Whitwell has many footpaths and bridleways running through it, offering access to wonderful country walks; outside the pub is a milestone for the Yar trail route that finishes in Bembridge where the Yar River flows into the harbour. The village hall enjoys many activities and events, including the Whitwell Village Show which takes place annually each summer. The popular village of Niton is about a five-minute drive away which provides a great range of facilities including local schools at pre-school and primary level, a well-stocked convenience store, a post office, a medical centre, pubs and a cafe, and a pharmacy. Southern Vectis bus route 6 links Whitwell with the towns of Newport and Ventnor, including intermediate villages. Additionally, the traditional seaside resort of Ventnor is located just a few miles away where you can enjoy the island's southernmost golden beach, a range of boutique shops, eateries and the delightful Victorian Promenade.
