”

GUIDE PRICE £400,000 - £425,000

A period property originating from the late 1800s. The property retains many original features including its exposed wooden ceilings. Although full of character it is a thoroughly modern apartment that offers spacious and flexible accommodation with an exceptional roof terrace.

Located on the top floor of this Victorian building, Ralph James are proud to present what we can only describe as one of the most unique and desirable properties. Situated in a semi-rural lane close by to Salfords station, this apartment is arguably one of the best on the current market.

The modern and stylish kitchen is well equipped with several integrated appliances. It has a wooden floor, sleek surfaces and cream cupboards with ample storage. As you ascend the wooden staircase and open the patio doors you are welcomed to your very own private roof terrace with far reaching views over the adjoining farmland.

The property has two bedrooms both with high ceilings and built in storage. The neutrally decorated bathroom has a shower over the bath. Completing the accommodation is useful loft storage which is accessed from the stairway.

The property has the benefit of one allocated parking space to the rear with unallocated off road visitor spaces available
