“

This apartment is so light and bright. The open plan living room kitchen is well designed to provide a great social space. I particularly love the view from bedroom two- just stunning.

”

A great two bedroom, two bathroom top floor apartment on the ever popular Watercolour development.

A bright communal area with lift or stairs leading up to this contemporary and airy third floor apartment. It comprises two double bedrooms, two bathrooms (one en-suite) and an open kitchen-living area with balcony access.

The kitchen-living area is full of natural light, with plenty of space to relax in. The great contemporary kitchen has plenty of worktop space and modern appliances, open plan to the sitting area. This room is flooded with light from the French door which opens onto the private balcony. For those who enjoy entertaining friends with dinner parties, it is the ideal space to cook and serve without any hassle, filled with natural light from the skylight.

The master bedroom is a good size and benefits from an en-suite shower room and the second bedroom is also a double with an en-suite and beautiful views of the water feature. There's also a large family bathroom with a modern suite.

This development is praised for it's sense of community, and convenient location situated close to Redhill Train Station with regular trains in and out of London, Brighton and Gatwick. The development feels like a village of it's own, tucked down winding streets with a Tesco, a doctors, vets, a lake and a gym.

There is allocated parking for residents and visitor spaces are available.
