Sat elevated on a peaceful road surrounded by woodland, its quiet location offers the best of both worlds as it is also a short walk from sought after schooling, excellent transport links and the town centre.

It is set back from the road by a lawned front garden, with a neat driveway with off street parking in front of its garage to the side.

Stepping into the hallway, its immaculate neutral décor and warm wooden flooring links each room, giving a sense of light and space.

Straight ahead is the modern bathroom with a sumptuous, tiled panel enclosed bath with led lighting and a separate shower cubicle.

Along the hallway is the stylish kitchen/breakfast/dining room. It delivers wonderful cooking facilities with glossy cabinets, contrasting counter tops and integrated appliances such as the Zanussi double ovens. For family and entertaining, there is tons of space and a breakfast bar with seating for up to four bar stools, with space behind for a table and chairs, lets you chat to friends as you prepare dinner.

Next door is the spacious utility room, with another sink for muddy boots and paws, additional storage units and space and plumbing for an appliance. It also gives access to the garden.

Returning to the hallway on the right is the living room, which is a good size, with double aspect windows and a rear glazed door bringing in garden views and access. There is warm wooden flooring and plenty of room for sofas, while an opening in the chimney breast, which could become a fireplace, is a charming feature.

At the front of the house are two restful double bedrooms, both with double aspect views of the quiet residential street and treetops behind.

The third bedroom is a single bedroom.

A beautifully finished shower room with a shower cubicle completes the house.

Outside the rear garden is gently tiered with decorative and stocked flower beds, a paved terrace for summer dining on the lower level and an expanse of lawn on two levels. It is bordered on all sides by wooden fencing, offering a safe sanctuary for children and pets.

This deceptively spacious home is immaculate, meaning you can move straight in and enjoy its peaceful leafy setting in a central location. A must see!
