LOCATION

Ideally placed for junction 6 of the M18 opening up the M62, M180 and A1, Waterside is a small hamlet of properties located on the outskirts of Thorne with the benefit of feeling secluded yet close to shops and facilities. There are pleasant walks directly onto the bank of the River Don and shopping is just a couple of minutes drive away, but can easily be walked, with Thorne North train station also easily accessible. This really is a property for those that want to be off the beaten track but not isolated, with only two further properties located beyond this bungalow.
