DESCRIPTION

Detached 'Scandi-Hus' style house tucked away at the bottom of a private driveway, in the wonderful sought-after area of 'The Avenues'.

Scandia-Hus have been designing and manufacturing highly energy-efficient, bespoke timber frame homes in the UK for 50 years. They have a wealth of experience and a excellent reputation for combining the benefits of advanced Swedish technology with the best of traditional British architectural style and building craftsmanship.

32a Cranford Avenue was built in 2004 as a highly insulated eco efficient home benefitting from triple glazing, mechanical air change, and a built-in vacuuming system."

The property offers spacious, light and airy living accommodation with the ground floor accommodation comprising 3/4 reception rooms (one reception room could be used as bedroom 4), kitchen, utility room and shower room. On the first floor are 3 good sized double bedrooms and a family bathroom, with the master bedroom having an en-suite shower room. A real feature of the property is it's secluded lawned gardens with two decked areas, all fully fence enclosed and benefitting from facing South-West. The property boasts triple glazing throughout, has ample parking and turning space, and a large detached garage with power and light.

LOCATION Exmouth is a popular coastal town surrounded by beautiful Devon countryside and yet only twelve miles by road and rail from the Cathedral City of Exeter, with its intercity railway station, airport and access onto the M5 motorway. Exmouth boasts over three miles of golden sands and is ideal for a range of activities including boating, sailing and water skiing. The town also has a range of shops including an M&S Foodhall, a variety of restaurants, schools, a modern sports centre, swimming pool and various other amenities. The local shops at Littleham Cross are conveniently located just up the road from the property offering a good selection of local services including a convenience store, bakers and a post office.

The accommodation comprises (all measurements are approximate):
