Location

The subject property is situated with frontage to Merton Bank Road which provides direct access to the A58 approximately 1/4 east of St Helens town centre. The immediate locality is predominately commercial and industrial in nature with surrounding occupiers including trade counters, manufacturers, warehousing and the like. The A58 provides access to the A580 East Lancashire Road which in turn leads to J23 of the M6 motorway.

Description

The premises comprise a workshop facility with offices and external areas. Workshop accommodation is provided via two bays of traditional brick elevations surmounted by pitched roof and providing a minimum working height of 3.5m. To the front aspect of the buildings is office accommodation however the majority of the space the building provides is given over to workshop along with a reasonable proportion of offices to service these. There is mezzanine space to part of the workshop area and externally there is concreted surfaced yard space providing limited external storage space and allowing circulation around the buildings with car parking and loading facilities to the front elevation.
