The Methodist Chapel

Chapel Hill, Whiddon Down EX20 2PX

Asking Price £195,000

A fantastic opportunity to acquire an unlisted detached stone built Methodist Chapel dating from 1906 with current planning permission for conversion into two holiday lets of 2 bedrooms and 6 bedrooms respectively. Offering character features including a crenellated entrance hall and main chapel with leaded stained glass windows, wood flooring, and high curved ceilings. Offered with no upward chain.

Situation:

The Methodist Chapel is situated in the heart of the popular small village of Whiddon Down offering convenient access to Dartmoor National Park and the A30 road network, the main Devon & Cornwall tourist route. The village has a small range of amenities including a popular public house, petrol station with shop and is serviced by a regular bus route. There is a good community with regular events taking place at the nearby village hall.

The ancient stannary town of Chagford lies approximately 5 miles away, the market town of Okehampton is approximately 7 miles to the west and the cathedral city of Exeter is approximately 16 miles eastwards. Okehampton lies on the northern edge of Dartmoor National Park. It is approximately 30 miles from both the north and south Devon coasts. There are superb local beauty spots where one may enjoy walking, riding and fishing. The shopping area contains several banks and supermarkets including a Waitrose as well as many interesting independent shops. Primary and secondary education is well catered for in local schools with Okehampton College rated as Outstanding by Ofsted. The recreation ground and park contains, amongst other things, an indoor heated swimming pool. Most sports are available including 18 hole golf course, squash courts, and thriving rugby and soccer clubs.

Description

Main access is via the crenellated front porch and historic arched church door leading into the main **CHAPEL** offering a wealth of features including the high curved ceiling, wood flooring, and leaded stained glass windows. A door leads through to the **KITCHEN/MEETING ROOM** with a side hallway and a **CLOAKROOM** with wc and sink. There is a second externally accessed cloakroom also with **WC**, and a **BOILER ROOM** containing the oil fired boiler.

For the avoidance of doubt the Burial Ground does not form part of this disposal, being retained by the former Church and continuing to be available for burials and visits by mourners/family members.

Outside:

Externally there is a driveway with **OFF STREET PARKING** for a number of vehicles leading to the side entrance to the Chapel and further **PARKING/GARDEN** to the rear.

Directly to the front of the chapel are stone pillars with a wrought iron gate and fencing with steps up to the front area and the main arched door. At present there is a right of access over the front steps/path area to get to the Burial Ground for all needful purposes but a planning application has been lodged to create a separate access to the burial ground (DNP 0021/24).
