Part II - Particulars of decision

In pursuance of its powers under the Town and Country Planning Act 1990, the Harborough District Council grants permission for the carrying out of the development referred to in Part I hereof in accordance with the application and plans submitted subject to the following conditions:

Statement of reason for grant of Planning Permission (Article 22 of the Town and Country Planning (General Development Procedure) Order 1995

In the opinion of the District Planning Authority, the development hereby approved, by virtue of its design, size and positioning, would not adversely affect the amenity of local residents, nor result in a sub-standard level of off street parking, nor an unacceptable reduction in open space around the dwelling and would be subordinate to the main dwelling and of harmonious design, form and materials. Furthermore, it is considered that the development would not have an adverse effect upon the character and appearance of the Conservation Area, develop any open spaces or vistas important to the Conservation Area, and it enhances the Conservation Area. The proposal is therefore considered to comply with Policies HS/12 and EV/11 of the Harborough District Local Plan and no other material considerations indicate that the policies of the development plan should not prevail.

Conditions

1. The development hereby permitted shall be begun within three years from the date of this permission.
2. The materials to be used in constructing the external surfaces of the proposed extension hereby permitted shall match those of the existing building.

IT IS IMPORTANT THAT YOU SHOULD READ THE NOTES ON THE REVERSE OF THIS FORM

2. APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State for Transport, Local Government and the Regions under section 78 of the Town and Country Planning Act 1990. If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from the Planning Inspectorate, Room 501 - Kite Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel: 0117 372 6372. www.planning-inspectorate.gov.uk. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order in practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

3. PURCHASE NOTICES

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

4. OTHER CONSENTS

This permission relates only to the Town and Country Planning Act and does not give consent to demolish or to carry out alterations to a listed building or to demolish an unlisted building within a conservation area for which separate consent under the Planning (Listed Buildings and Conservation Areas) Act 1990 is required. Amongst other things the consent of the District Council may also be required under the Building Regulations and if the proposal affects land within the limits of the highway the separate consent of the Highway Authority will also be required. Steps to obtain the necessary further consents should be taken before proceeding with the development.

5. SHOPS, OFFICES, FACTORIES, EDUCATIONAL BUILDINGS AND BUILDINGS TO WHICH THE PUBLIC ARE TO BE ADMITTED: ACCESS AND PROVISION FOR DISABLED PERSONS

Your attention is also drawn to the Code of Practice B.S. 6810:1979, "Access for the Disabled to Buildings" available from the British Standards Institution, 2 Park Street, London W1A 2BS (Tel. 0171 629 9000) and (insofar as educational buildings are concerned), to Design Note 18 "Access for the Physically Disabled to Educational Buildings".
