Living Here

I purchased Spring Cottage in 2012 after an extensive search of properties in South and East Leicestershire. I wanted a truly character property in a good location with good road and transport links as my job involved travelling all over the UK. North Kilworth was an excellent choice near the M1 and M6 motorways and close to the A14 to

ADAMS & JONES

A1 link, it is also close to two mainline railway stations, Market Harborough and Rugby both with good car parking and under an hour to London with trains every 30 minutes. North Kilworth is also served by three airports, London Luton, Birmingham and East Midlands all less than an hour away, In my opinion North Kilworth was a perfect location.

On moving in I discovered a thriving friendly village with an active social scene centered on the Sports Club, Bowling Club, Soccer and Cricket teams, Tennis etc Golf at nearby Kilworth Golf Club and many other pastimes, Women's institute, Yoga and Pilates at the Village Hall and Church. Boating is available at nearby Kilworth Marina. Kilworth also has a highly rated Primary school Ofsted Rated, and is easily placed for many good Secondary Schools. It has good Doctors and Dentists in nearby Husbands Bosworth and Lutterworth. On moving into Spring Cottage which I knew was in a conservation village, I was pleasantly surprised that the cottage being at the end of Cranmer Lane was an area designated as the "Bogs", this is officially a Nature Reserve and is adjacent to my garden, as there is a no through road

the air is very pure and very quiet, the only sounds being bird calls from many types of birds, Blackbirds, Thrush, Robin, blue tit, Magpie, Woodpecker, and even Heron and occasional Ducks and King Fishers. Animals include squirrels, Badgers, Hedgehogs, Baby Frogs, Monk jacks have been seen in the garden. This I believe is the only Village in Leicestershire with a Nature Reserve within the Village. I soon discovered the amazing walks from my gate through the Bogs Nature reserve to the Millenium Green and onwards to the canal which links Welford to the nearby Marina, or back through the Village to the Church and adjacent fields. Living in the Cottage I have found it lovely and cool in the summer and in the winter with the fire and a little heat the cottage is extremely cosy. When my son comes to visit It is a lovely family home and at Christmas the dining room is decorated and my Granddaughter goes onto the gallery and sings Carols and other songs, A very comfortable and welcoming house. To summarise I have totally loved my 12 years at Spring Cottage.
