The information given in these particulars is intended to help you decide whether you wish to view this property and to avoid wasting your time in viewing unsuitable properties. We have tried to make sure that these particulars are accurate, but to a large extent we have to rely on what the seller tells us about the property. We do not check every single piece of information ourselves as the cost of doing so would be prohibitive and we do not wish to unnecessarily add to the cost of moving house. Once you find the property you want to buy, you will need to carry out more investigations into the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. If you do not have your own surveyor, we would be pleased to recommend one. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains etc) will be included in the sale.

Park Homes are neither leasehold or freehold; there is a right for the home to be stationed upon the land in perpetuity (forever). When buying a park home, you purchase the physical property and lease the land it sits on. Most high street mortgage lenders would be unable to offer you a mortgage to buy a park home.

We understand that the monthly pitch fee is £218 per calendar month and this is payable to Turners Parks Group Ltd. This pitch fee is reviewed each year.

Clean water, sewerage and gas are paid directly to the suppliers. Electricity is recharged by the park operator, on a quarterly basis, to the property owners. The quarterly electric charge is dependent on usage for each property.

The Park is strictly for the age group of over 50's and there are park rules which all prospective residents will need to adhere to.

You are not allowed to let out the Park Home, this has to be the owners' main residency in the UK.

Pets - You are allowed 1 Dog and 1 Cat per property.

The site owners are entitled to 10% of the sale price as commission which is due from the purchaser. (e.g. if the property is sold for £130,000 the prospective purchaser would pay 90% of this figure (£117,000) to the vendors and 10% of this figure (£13,000) to Turners Park Group.

Council Tax

We understand the council tax is band A (£1,504 per annum. Charges for 2024/25).
