Welcome to Cockfield

Life in the Heart of Suffolk

Cockfield offers the warm sense of belonging we all crave. Traditions are kept alive and well. Flower, craft and produce shows and a duck race are all part of the annual calendar, along with carols on the green during the festive period. For something more energetic there are regular dance nights and sports clubs.

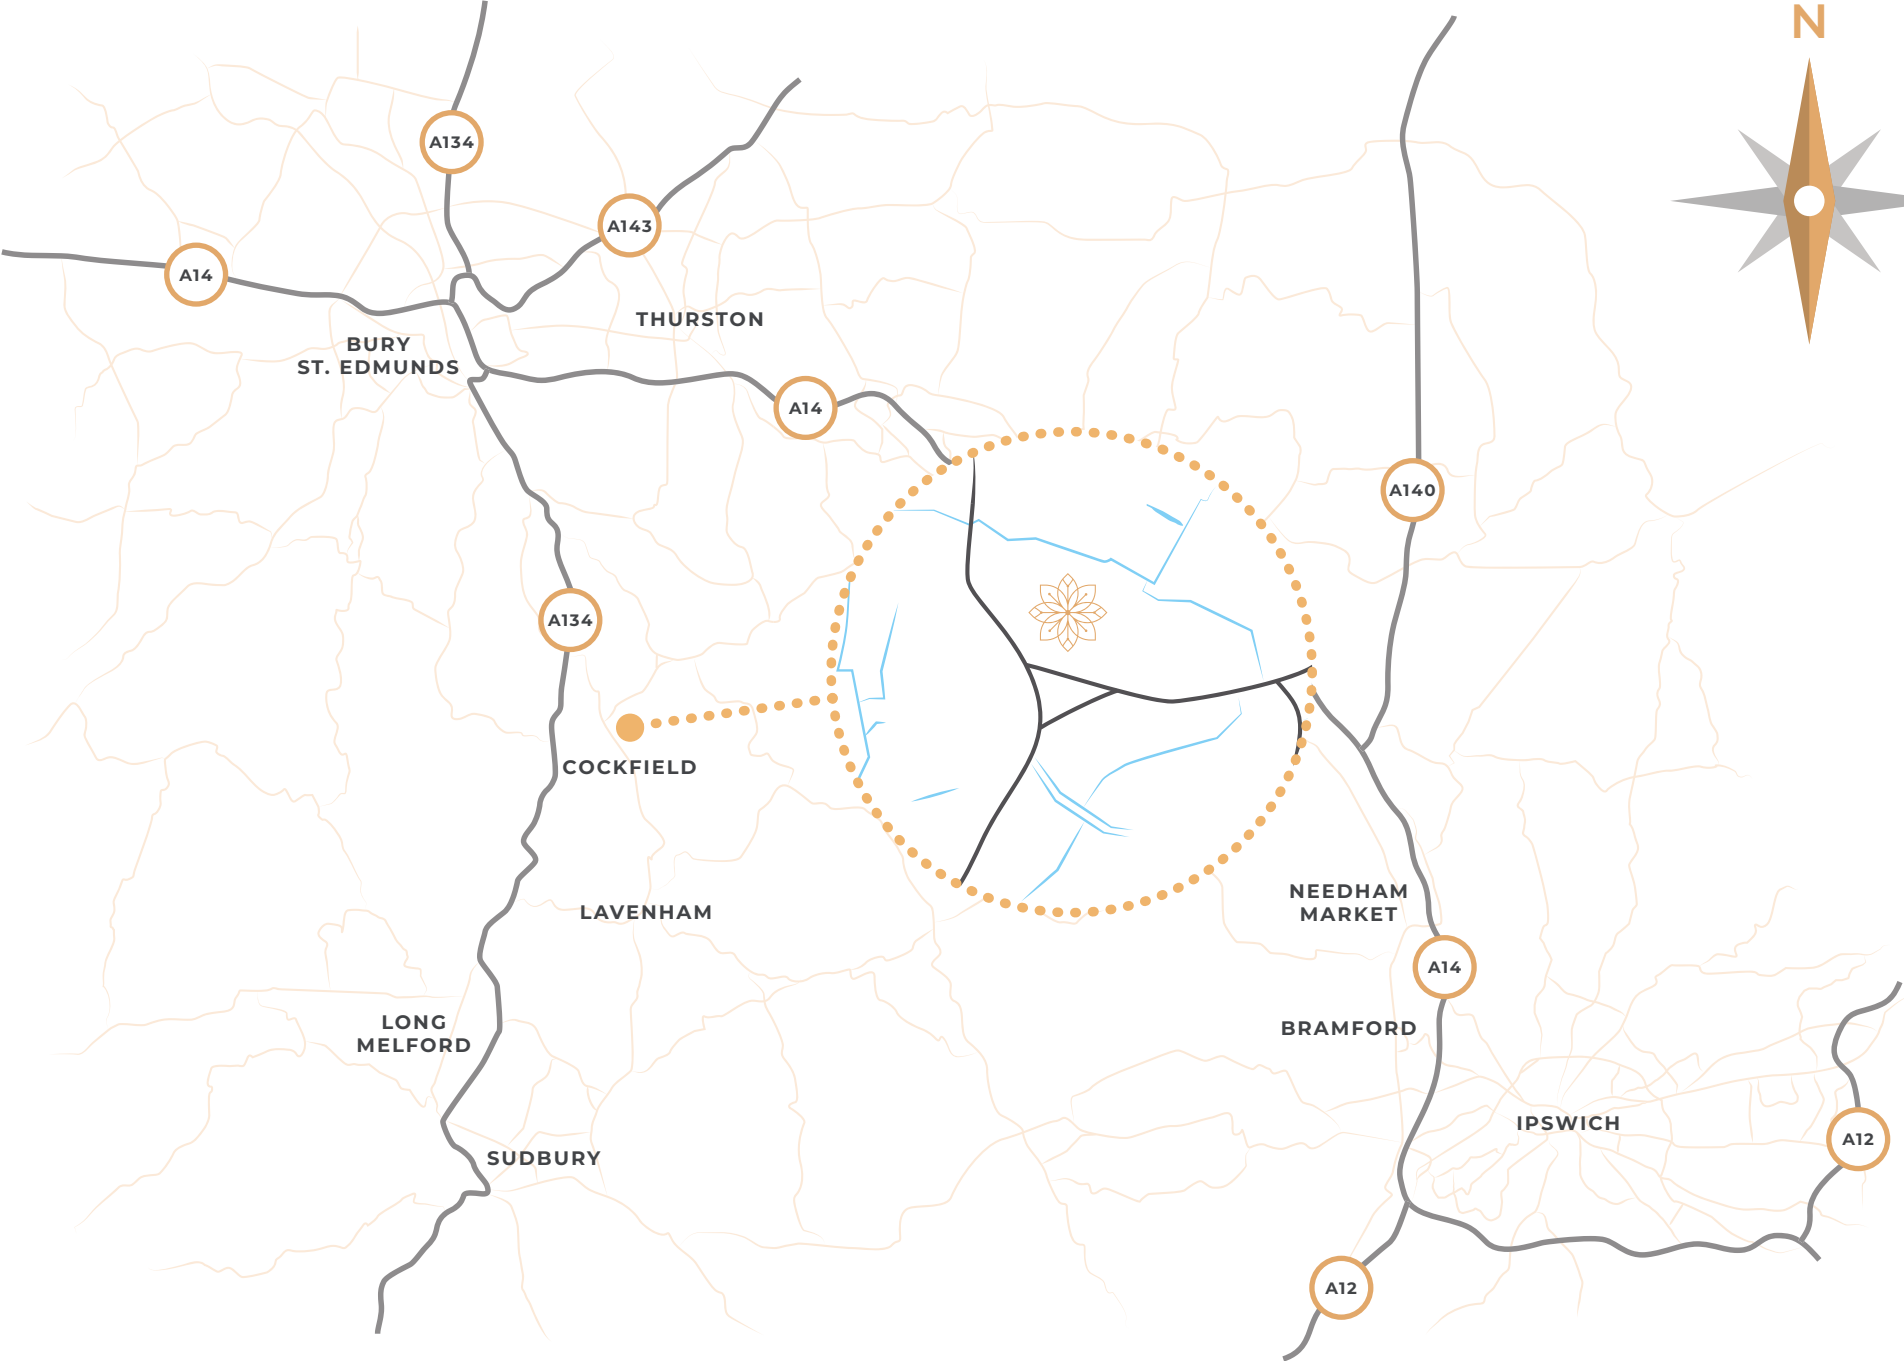

Catey Pre-School and the highly rated Cockfield Primary School provide the village's children with a high standard of education, with small class sizes ensuring your children get that vital one-to-one interaction with their teachers.

The village store / post office stocks all the essentials, with a focus on locally sourced produce.

Beyond the village, and just a 15 minute car journey lies the historic market town of Bury St. Edmunds which offers a range of amenities, including but not limited to shopping centres, supermarkets, bars & restaurants and two cinemas.

Positioned just 6 miles away from the A14 makes Cockfield the ideal base for commuters with it's excellent links to Cambridge, Ipswich, Colchester and London.
