VENDOR THOUGHTS

This house has been in our family for a number years which hold a great number of happy memories. This property has been adaptable and flexible for our needs as a growing family over years and it is now time for us to move on but we do hope that the owners enjoy the property as much as we do.

WHY YOU SHOULD VIEW

We are incredibly honoured to represent this home as very rarely comes available with both outbuildings and a separate annex. The property benefits from nearly 3,000 square feet of versatile living accommodation and all has been renovated to a high standard. There is still room for a new owner to put their own stamp on it and make the property their own. Our feeling is that the next owner will settle quickly and enjoy many years here and the whole family will be served with the local benefits and attractions of its semi rural location.
