****A CHARMING PERIOD HOME BLESSED WITH MAGNIFICENT LANDSCAPED GARDENS****

Four bedrooms, two reception rooms, kitchen, small cellar, and family bathroom. Large attached garage. Extensive private driveway providing off-road parking for several vehicles. Beautiful, landscaped gardens.

Constructed in the late 1920's, we consider this mature family home to be a fine example of the impressive period properties to be found in this area of Congleton, with Cheshire's countryside on its doorstep, and with Congleton being so central means the M6 motorway and main arterial routes to Manchester Airport are easily accessible by road, with the main railway station providing frequent expresses to London and links to national rail networks.

14 Newcastle Road provides a rare combination of period grandeur and modern comfort, a great recipe for stylish family living. Amongst its traditional features are beautiful leaded and glazed windows, high ceilings and fireplaces. It has been continuously and respectfully maintained for many years by its current owner, and yet is now ready for the eventual fortunate new owner to remodel, refresh and renovate to raise it to the requirements of modern-day living.

Set well back from Newcastle Road behind mature hedgerow, the front offers an expansive tarmacadam laid driveway which provides parking for numerous vehicles. A pillared and enclosed entrance porch opens into the reception hall with return staircase to the first floor. Doors open into the main sitting room

with living flame gas fire (with back boiler behind) and original bay window overlooking the rear gardens. The second reception room could be used as an additional lounge or dining room, with bay window to the front. The kitchen is plain and simple, with cellar off and an enclosed rear porch leading into the rear gardens. The first floor is accessed via a shallow rise return staircase to the galleried landing with doors to bedrooms 2 and 4 and family bathroom and corridor from the landing leading to the main bedroom. Attached to the house is a large single garage.

Outside, as befits a property of distinction, there is a patio which extends from and to the full width of the house, providing a superb level area for outside dining and which enjoys a lovely aspect over the beautifully landscaped gardens, of extensive lawns, deep flower borders and fruit trees. All in all, a delectable family residence in a fabulous and highly sought after area.

Located in the West Heath area, with commendable schools such as Congleton High School, Blackfirs and Quinta Primary Schools literally within a few minutes walk, as is the West Heath Shopping Centre. Virtually immediate access on to the main arterial route to the M6 motorway, which lies 6 miles to the west, and Manchester Airport is approximately 17 miles north and again easily accessed by road.

The area has been further enhanced with the completion of the new Congleton link road, which opened in 2021. The Congleton link road joins the A534 Sandbach Road (to the west of Congleton) with the A536 Macclesfield Road (to the north of the town).
